Note of Home dept's proposal may be perused. In accordance of the prevailing financial stringency and the need for economy in all directions Govt. have imposed a ban on the construction of Compound walls around Govt. buildings and also to improvements to existing Compound walls. These restrictions are however relaxed in the case of jails to prevent escape of prisoners. Hence the present proposal may be agreed to in this deptt. Circulation to M(W) is not necessary as the cost is below Rs 1000/- with these remarks the file may be passed on to Finance.
